ACCESSORIES

TECHNICIAN STOOLS AND CARTS

DIMENSIONS

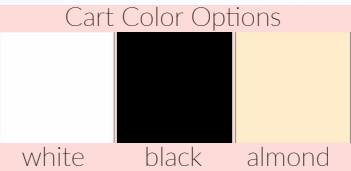

This handy cart becomes a technician's essential tool with its Quick Grab top drawer and deep, fully extending lower drawer.

The top smartly doubles as extra work space with edged sides that prevent products from sliding off. Handsome brushed aluminum drawer pulls and top rail add style.

Lightweight and compact, with locking front wheels for stability, our technician cart is available in three neutral colors to complement any décor.

Our smooth rolling technician stool delivers support and comfort in style. Height adjustable to accommodate every technician's working position, the chair back is also tension adjustable to provide the right amount of support for the back. Its five gliding caster wheels assure smooth mobility during a busy day. In four colors to match our spas, our Technician Stool is the perfect way to round out your salon's décor.
