Quick Salon Equipment

Collins

www.CollinsMfgCo.com

Why Collins Salon Equipment?

Collins believes product quality is the principal key to our success, and to yours. A good haircut makes for a satisfied and repeat customer, but a bad haircut.... And so it is with salon equipment. You soon forget the price, but you're slow to forget sub-standard quality.

The results speak volumes. Collins believes that 98% of everything the company has shipped over the last thirty years remains in service today... now that's QUALITY!

Started in 1983, the company remains privately held by the original owners, Ron & Melinda Swann. When you buy Collins, you have the backing of the Swann family, plus the backing of the company's associates, managers, designers, salesmen, and distributors. Additionally, all three Swann sons have joined the business, all three have assumed active managerial roles, and all three look forward to serving this industry for the next thirty years!

Service is KEY, and Collins is famous for customer service. Whether it's an inquiry, an order, a shipping damage claim, warranty claim, or just a simple question, the company's staff makes *every effort* to ensure your needs are met. Customer service is courteous & *live* at Collins.

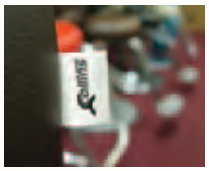
Collins gives you CHOICES! Collins offers you 400+ products in this QSE catalog, plus another 600+ products in the made-to-order Mosaic catalog. Additionally, Collins offers the largest quick-ship color selections in the industry, and you can special order from Collins!

In 2010, Collins acquired the assets of Jeffco Salon Equipment, which operates as a wholly owned subsidiary of Collins. Jeffco's catalog offers 200+ products.

The Collins Warranty is simply UNMATCHED in the beauty industry. Collins warrants to the original purchaser that all of our Made-in-the-USA hydraulic bases are *Unconditionally Warranted for 7 1/2 Years* from the date of purchase.

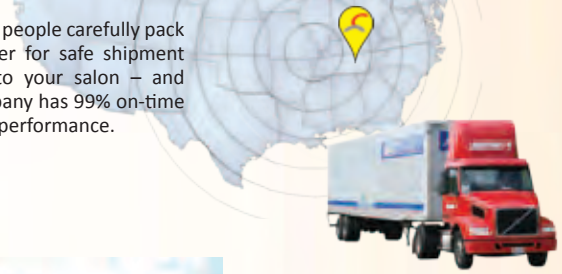
Collins 7 1/2 Year Warranty Hydraulic Bases

Collins people take pride in the quality of the product they make – and it shows! We proudly sew a Collins logo into the seam of each chair or apply a Collins logo to each piece of cabinetry we make. Look for it on your equipment!



Collins is located near the epicenter of the US population, which translates into less-than-average shipping costs, & quicker-than-average transit times from the factory to your salon.

Collins people carefully pack your order for safe shipment directly to your salon – and the company has 99% on-time shipping performance.



Aerial view of the manufacturing facility.

Collins has 122,400 sq. ft. on 10 acres.

The 3rd generation Swann is already in training to serve you!

Great Clips IT'S GONNA BE GREAT

As the largest salon chain in the world, Great Clips relies heavily on its vendors to provide a reliable supply of products that meet our high standards. We have been using Collins' chairs and shampoo bowls exclusively for the past few years. Collins has always met our needs with regard to quality, supply, and service.

Their ability to continue to adapt to our unique purchasing model and support our franchisee based system has been a great benefit to our organization.

- Tom Schuenke, Dir. of Facilities

Continental

Our experiences with Collins Manufacturing have always been extraordinarily positive. The service is always prompt, accurate and professional. A company could not have a more accommodating and committed staff, and for those reasons we are proud to be associated with Collins.

- Barb Shumway, Continental Now

As an Interior Designer in the salon and spa industry for over 15 years, my experience with Collins has been unparalleled in quality, service, and timely delivery. The entire Collins team is knowledgeable, courteous, and a pleasure to work with... always helping me to achieve the design, look, or simply the delivery of an item. They keep me, and ultimately my clients, completely satisfied!

- Denisa Ramirez , Salon & Spa Design Services, Inc

empire beauty schools

Empire Education Group has been very satisfied with Collins Manufacturing for their attention to detail in design, their quality products, and their ability to deliver products accurately, safely, and on schedule.

- Pat Dougherty, VP, Property Services

SHEAREXPRESS INCORPORATED
ARGOHAIR | LESLIJON | DIMENSIONSHAIR | ROOT466

We at Shear Express, Inc. Family of Salons are proud of our partnership with Collins. For over 20 years, Collins has been our preferred manufacturer for all our salons' needs, including stylist stations and chairs, reception desks, and custom furniture for our lobby areas. Because of Collins' quality products, exceptional engineering, insightful project management, and on-time delivery, our salons have stood out from others, leading to our "Salon of Distinction" honor in Salon Today's *annual* Salon of the Year *competition.*

As we continue to grow, with the launch of our professional hair care lines, we will continue to look to Collins to fulfill more of our design and architectural needs.

- Janet West, Shear Express, Inc. Family of Salons.

Santo Salon & Spa

*My experience with Collins was simply **amazing**! They made my entire salon project seamless from start to finish. It truly felt like they had as much invested in my salon as I did! Thank you Collins!*

- Frank Santo, Santo Salon & Spa

QUICK SALON EQUIPMENT UPHOLSTERY

All Collins QSE seating is manufactured in Wallaby Black, Chocolate, Charcoal, and Camel upholstery. Over 80 additional custom colors are available by special order, costing 10% more and taking 2-4 weeks longer.

Collins also manufactures, by special order, seating that is compliant with California Technical Bulletin 133 and the Boston Fire Code. If needed, inquire about color selections.

QUICK SALON EQUIPMENT LAMINATE

All Collins QSE cabinetry is manufactured in Shaker Cherry, Limber Maple, Cafelle, Brighton Walnut, Wild Cherry, Fusion Maple, Graphite Nebula, and Matte Black laminates. An additional 40 colors are available by special order, costing 10% more and taking 2-4 weeks longer.

Collins Equipment is Proudly Made in the USA!

Access

Access chair with armrest removed

Access chair with footrests rotated

Access Seating

This Patent-Pending chair has a unique footrest that is split into two halves. Both halves easily come together then rotate to the sides of the chair and out of the way.

As an additional Access feature, the arm of the chair is removable to permit a person to gain entry to the chair from the side. This would permit a person to be easily helped into the chair from the side; the arm can then be firmly reattached to the chair for safety.

Two drawers, two cabinets w/ adjustable shelves, casters, padded upholstered rest, black lamp. 60"W x 20"D x 30"H

Club-Pedi Blush

513 • 2555 ***Club Pedicure Blush***
Includes Footsie Bath, heavily padded, and expertly tailored upholstery.
30”W x 30”D x 22”H x 37”H
Pull-out extends another 20”.

10824 Optional Three-Zone Massage w/ Heat
This feature can optionally be added to all three models of Club-Pedi. Specify at the time of order.

The Collins Club-Pedi was developed to give you an attractive, functional, and easy-to-use alternative to the traditional pedicure chair approaches. Each Club-Pedi is ready to use within minutes of being delivered. There is no assembly, no installation, no plumbing, no electrical, no inspections, and no dedicated space requirement! These are huge benefits that save you time and money.
Additionally, the Collins Club-Pedi can be used as a manicure chair when paired with the 2501 Chable, found on page 46.

Club-Pedi Benefits

Club-Pedi Cigno

512 • 2550 ***Club Pedicure Cigno Chair***
Collins Club-Pedi is a multi-purpose club chair and pedicure chair ... all in one unit! Put this chair anywhere in your salon – no installation, no plumbing, no electric, no assembly, no maintenance! Includes FREE hygienic Footsie Bath.
27"W x 28"D x 22"H x 37"H Pull-out for Footsie Bath extends an additional 20" from front of chair.

511 • 2513
Club Pedicure Ottoman
Fully upholstered, with drawer & casters.
16"W x 16"D x 16"H

The Club-Pedi is luxurious, fully upholstered front and back, and can be used anywhere in the salon or spa setting. Each Club-Pedi features a unique hide-away design that conceals your pedicure bowl or foot-spa when it's not being used, and allows you to use the chair for additional services. The built-in, comfortably padded footrest extends from the chair to provide access to the bowl or foot-spa. The footrest extends up to 20" which allows you to accommodate clients of different heights.

The Club-Pedi Ottoman, ordered separately, is the perfect companion. It provides a comfortable padded stool with casters, as well as a convenient drawer.

515 • 120TC ***Footsie Bath Professional Pedicure Spa***
Every Collins Club-Pedi comes with a great solution to the worries of sanitation: a FREE Footsie Bath Foot-Spa with sanitary disposable liners! The easy-to-use Footsie Bath also saves time and money by avoiding lengthy between-client sanitizing procedures. Simply dispose of the used liner and replace with a new sanitary liner. The unit has variable heat settings, maintains water temperature, and gives you the option of vibratory-therapy. A retractable 7' cord offers you convenience and safety. Disposable liners are safe, inexpensive, and readily available from distributors.

516 • R001 ***100 Disposable Footsie Bath Liners***

Club-Pedi Nouveau

514 • 2560 ***Club Pedicure Nouveau Chair w/ Footsie Bath***

Galaxy Processors

325 • 1464S ***Collins Portable Galaxy Processor*** ►
Collins Galaxy Color Processor uses Far Infrared Technology to help your color & chemical treatments penetrate deeper and faster with enhanced results. Features temperature indicator, automatic heat sensor & continuous adjustment, automatic cool-down cycle, and easy-to-use push button controls. Galaxy has 5 pre-set programs for color, foils, perms, & drying, plus customized programs are easily done.
Oversized non-tipping base w/ large premium casters, 8' power cord. 110 volts, 900 watts. Carries European Union mark of compliance.

◄ 325 • 1464H ***Collins Wall-Mounted Galaxy Processor***
Wall-Mounted version has a well engineered articulating arm. Arm measures 35" from wall to elbow, plus 29" from elbow to dryer. Provides 5' 4" diameter semi-circle shaped working range from mounting bracket. Unit Installs 78" above finished floor. In-wall backing or overlay panel required.

Far Infrared Technology

Far Infrared Technology means the processor uses the longer light wavelengths to penetrate directly into the cortex of hair cuticles, heating from the inside out. Water droplets on the surface of the hair are fragmented into smaller droplets, allowing the hair to better absorb the moisture. Far Infrared Technology results in treatments that process deeper, faster, and with better results.

Quantum Processor

M908 • 1487S ***Collins Quantum Processor***
The Quantum is a multifunction processor using Far Infrared Technology to help color & chemical treatments process deeper-faster and with better results. Easy to use digital controls w/ five pre-programmed modes (drying, dyeing, molding, treatment, and nourishing) plus each mode is customizable in accord with your preferences. Over-sized non-tipping base with large premium casters, adjustable height, 8' power cord. 110 volts, 1000 watts. Carries European Union Mark of Compliance.

Micro Mist Steamer

M909 • 1496S ***Collins Micro Mist Steamer***
Collins' steamer is fully-automatic w/ exclusive Anion Negative Ion function. Easy to use controls with five temperature levels, easily programmable or use the pre-programmed treatment cycles. Inside hood measures 12" diameter x 10" deep. Includes water runoff container, height adjustable, over-sized non-tipping base, & 8' power cord. 110 volts, 1300 watts. Use distilled water only. *Unit carries the European Union Mark of Compliance.*

Nova Processor

M907 • 1472S ***Collins Nova Portable Processor***
The Nova features easy to use digital controls w/ five pre-programmed modes (drying, dyeing, molding, treatment, & nourishing) plus each mode is customizable in accord with your preferences. Includes over-sized, non-tipping base with large premium casters, adjustable height, & 8' power cord. 110 volts, 1000 watts. Carries European Union Mark of Compliance.

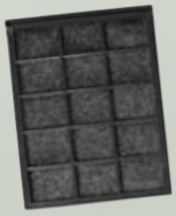
Hair Dryers

M911 • K500 ***Apollo Dryer*** *by Jeffco*
Professional Dryer w/ easy-to-use digital time & temperature settings, reliable temperature control, maintain temperatures up to 150°F, auto-cool cycle, and oversized smoked hood. Measures 12 1/2" x 6 1/2" x 24" high. 110 volts, 1400 watts, 13 amps. ETL approved, Two Year Warranty.

Apollo & SolAir dryers feature easy-to-use digital controls!

exclusively from Collins

M910 • 2200 ***SolAir Ionic Dryer*** *by Collins*
Professional Dryer with NEGATIVE ION technology yielding improved results, see inset. Features easy-to-use digital time & temperature settings, reliable temperature control, maintain temperatures up to 150°F, auto-cool cycle, and oversized smoked hood. Measures 12 1/2" x 6 1/2" x 24" high. 110 volts, 1400 watts, 13 amps. ETL approved, Five Year Warranty.



Removable filter w/ built-in frame.

323 • WA-300
Wheel & Handle Set
Kit includes large rubber wheels and handle. Works with SolAir, Apollo, and Highland dryers.

Ionic Technology

Collins SolAir dryer with ionic technology generates millions of negative ions, which neutralize positive ions and break down the water molecule. In turn, this process reduces the amount of time to dry hair, seals the hair cuticle, reduces frizziness, and leaves hair shinier.

TempTura Ultra Dryers

320 • 1433H ***Collins Wall-Mounted TempTura Ultra Dryer***
Wall-Mounted version has a well engineered articulating arm. Arm measures 35" from wall to elbow, plus 29" from elbow to dryer. Provides 5' 4" diameter semi-circle shaped working range from mounting bracket. Unit Installs 78" above finished floor. In-wall backing or overlay panel required.

319 • 1433S ***Collins Portable TempTura Ultra Dryer***
Premium down-draft dryer w/ smoked hood, variable time & temperature settings, and cool-down cycle. Oversized spherical smoked hood measures 12 1/2" inside diameter, 17 1/2" diameter at largest point. 110 volts, 1000 watts.

• **ORDER ACKNOWLEDGMENTS** • *Order acknowledgments are mailed, faxed, and/or emailed to the distributor placing the order. It is the responsibility of the distributor to review the order acknowledgment to insure accuracy regarding item numbers, descriptions, quantities, colors, etc. The order acknowledgment will indicate the planned or scheduled shipping date. While Collins makes every effort to maintain the planned shipping date, the date is not guaranteed, and the company assumes no liability for any damages should an order be late.*

• **ORDER CHANGES & CANCELLATIONS** • *Collins manufactures all QSE salon equipment after receipt of the customer order, and orders that are cancelled or materially changed within five working-days of the acknowledged ship-date are subject to a penalty determined by the costs incurred and the manufacturing resources committed. Orders for equipment with customer-requested modifications or special-order, non-stock colors cannot be materially changed or cancelled within ten working-days of the acknowledged ship-date without a substantial penalty.*

• **TERMS OF SALE** • *While prices are subject to change from time to time, the unit prices billed to the distributor will be those that were in effect at the time the order was placed. Payment terms are clearly specified on the sales order and subsequent invoice, and payment within the terms is required. All prices are F.O.B. the factory and all sales are final.*

• **COLOR SELECTIONS** • *All Collins Quick Salon Equipment (QSE) seating is manufactured in Wallaby Black, Chocolate, Charcoal and Camel upholstery unless stated otherwise. All Collins QSE cabinetry is manufactured in Shaker Cherry, Limber Maple, Cafelle, Brighton Walnut, Wild Cherry, Fusion Maple, Graphite Nebula and Matte Black laminates unless specified otherwise. Dozens of custom colors are also available by special order, costing an additional 10% and taking 3–4 weeks longer.*

• **SHIPPING & HANDLING** • *All Collins salon equipment is properly packaged for safe shipment directly to your salon. Most orders are shipped via common carrier truck-line, F.O.B. our factories. While freight damage is not a frequent occurrence, no shipment is immune to the risk of loss or damage. It is the sole responsibility of the consignee to inspect for damage upon receipt and appropriately note any damage on the delivering carrier's bill-of-lading. Freight carriers have very limited responsibility for damage that is not noted on the bill-of-lading, and failure to do this adversely affects any subsequent claim the consignee may have.*

• **INSTALLATION** • *QSE Salon Equipment is manufactured in the USA by Collins Manufacturing Company and it is designed for easy, on-site installation in your salon. Assembly instructions and the typically-needed fasteners are included with each shipment. The company recommends that all plumbing and electrical work be done by reputable and licensed professionals who are familiar with the local building codes.*

• **PRODUCT WARRANTIES** • *Collins salon equipment is carefully manufactured, inspected, and guaranteed against defects in material or workmanship as follows: 7 1/2 YEARS – hydraulic pumps are guaranteed for seven and one half years from the date of purchase. 5 YEARS – reclining mechanisms are guaranteed for five years from the date of purchase. 1 YEAR – all remaining components, unless specified otherwise, are guaranteed for a period of one year from the date of purchase. This guarantee applies only to the original purchaser and does not apply to damage caused by water or fire, discoloration, fading, or staining of fabrics or laminates, or where there is evidence of improper plumbing or installation, tampering, mishandling, abuse, or misuse of the equipment.*

• **CUSTOMER RETURNS** • *Collins warrants the equipment against defects, packages for safe shipment, and makes every effort to assure customer satisfaction. Sometimes the company may elect or require that a product be returned to the factory, in which case a Return Authorization Number will be issued and it must be clearly marked on the returned item. Unauthorized returns will be refused on delivery.*
