 **TAKARA
BELMONT**

Our mission is to help people fulfill their wish to remain beautiful and healthy by providing superior products and services.

It's the common pursuit of beauty and health that unites people of all countries, generations and eras. And while we have provided products and services to the world for countless years, the role we all share continues to be a steadfast reminder of the love and responsibility that first sparked our passion.

We strive for innovation and improvement. The shifting-tides of digitalization and globalization drew waves of change: change in the way we live, change in corporate management, and change in society. With this change, we expect society to look towards our industry for answers to growing needs in the beauty and health fields.

With an eye towards the future, we continue to advance in all areas by maximizing the potential of technology, expanding our capabilities and creating value for our customers through new products and enhanced services. The tremendous value placed on our customers is unwavering and remains as both a priority and tribute to our success.

With a diverse culture of resources, we embark on a journey to improve ourselves – and the world – for years to come.

CRAFTSMANSHIP

Simply stated, it's all about the time – the time invested with sourcing superior quality materials, the time we have devoted to our Takara Belmont 16-point quality inspection, and the time we have added for hand-crafted quality production. As advanced traditionalists, our products have been refined by generations of experience and an ever-lasting commitment to our customers and the health and beauty industries.

Our fine-tuned process provides our customers with the next-level products and services you've come to expect from Takara Belmont. Our production advancements include laser-guided upholstery cutting to decrease material fraying and increase product longevity, 960° thermo press technology to ensure long-lasting impressions and carefully calibrated pneumatic tools for pinpoint accuracy from the bolts up.

Today, salon and spa customers are looking for more than just the basics. As a beauty professional, you want to provide them with the amenities that they have come to expect. Our sales and design team at Takara Belmont can help you create an environment that will attract customers and make your business successful.

Whether your project is large or small, we provide you with the assistance you need to create what you've always wanted. You can be confident that you're dealing with the industry's leader in innovation, quality, and breadth of options. You will know that everything you install in your salon is manufactured to exacting standards and built to last a lifetime.

NAMI STYLING CHAIR

ST-M60

A sister to our Nagi chair, the Nami provides the same incredible comfort with a more robust design. Guests will glide into a variety of positions with ease as the ergonomic design blankets them in luxury. Both stylists and their customers can enjoy longer lasting, fuller services with this all-purpose, multi-functional chair.

NAGI STYLING CHAIR

ST-M70

Your guests will feel enveloped in the ergonomically sound Nagi chair. Surrounded by comfort in curved arm and back rests, this cushioned chair also provides lumbar support, easing lower back tension from a variety of positions. With so much relaxing movement, the Nagi becomes even more versatile, allowing for customers to sit longer and for a variety of services, meaning greater menu expansion for stylists and salon owners.

VIRTUS CHAIR

ST-N20 / BW-U16

Ease into your next appointment with the Virtus styling chair. Wearing a square shape with rounded edges, this styling chair creates comfort for everyone – including the stylist. Also available as a shampoo unit.

NOVO CHAIR

ST-U20 / BW-U26

Boasting an open frame and vivacious curves, the Novo brings completes the Americana series as it's most modern effort. Enjoy a step up from the competition with a sophisticated airy frame. Also available as a shampoo unit.

BELLUS CHAIR

ST-U30 / BW-U36

The Bellus chair brings efficiency and luxury to your salon in one sleek design. Its plush materials perform with a body contouring design and comfortable sweetheart back rest. Also available as a shampoo unit.

ROLLERBALL-F PROCESSOR

RB-47A / RB-42S

A sophisticated, restyled successor to the original, the Rollerball F brings new possibilities in hair design. As one of the most effective processors on the market, the Roller Ball F brings speed, power, and convenience in both wall-mount and mobile styles. A rotating ring with focused heat helps color and chemical treatments penetrate deeper and faster, delivering enhanced results that last. Explore the variety of colors available today.

MICROMIST PROCESSOR

SD-200NW

The Micro Mist treats damaged hair more effectively than other steamers by using ultrasonic vibrations to emit an enormous quantity of microscopic water particles that permeate deep into hair follicles. This creates a sensation for the customer that is often referred to as smooth and relaxing, while at the same time provides effective treatment for hair that is damaged by perms and coloring.

COVE CHAIR

ST-N40

A unique "tuck" design feature creates a striking image from any vantage point. Sporting a rounded back, with its slow, inside curves, customers are wrapped in comfort and security.

KNOLL CHAIR

ST-N50

Seen in award-winning salons, the Sara is comfortable and stylish at a great price. The styling chair matches the Sara Shampoo Unit for a complete look. The graceful silhouette of the body and uniquely shaped, sleek aluminum armrests make this trend-setter a must-have for your salon!

CAPE CHAIR

ST-N60

With its rounded, spherical shape and slim, enveloping arms, the cape chair has a distinct shape and two tone aesthetic as well as incredible comfort. Its unique shape makes it maneuverability and accessibility easy for stylists, too.

PRIME CHAIR

ST-N80 / SH-610

The Prime features a stunning design, superior comfort and all around quality. The tapered seat cushions provide leg pressure relief and allows clients to fully relax their bodies. Coupled with a spaced back-rest and open arms, it makes clean up between sessions a breeze. Also available as a shampoo unit.

RS ELITE CHAIR

SH-620

Vivacious curves, definitive character and a sleek style – the RS Elite Shampoo Unit redefines luxury. It features a full-body design coupled with an ultra-deep bowl and gel neck rest to lull clients into a relaxing Shiatsu Shampoo Service.

LUXIS CHAIR

ST-N90 / SH-630

The Luxis offers the best of both worlds – comfort and functionality – wrapping clients in four panels of luxury and features a semi-open back and sides for easy cleaning. Aesthetically sound, the distinctive soft edged shape of the Luxis is key to timeless style. Also available as a shampoo unit.

LIBRA STYLING CHAIR

ST-N50 / LIBERTY - SH-500

LIBRA Competitively priced, the Libra is fast becoming an icon of timeless salon design. With elements of modern style and a classical structure, this beauty will last well into the future. The design features a wide seat and backrest for maximum comfort. Clients will be able to comfortably settle into the spacious Libra and enjoy your salon services. Also available as a shampoo unit called Liberty.

ODIN STYLING CHAIR

ST-E10 / SH-640

Stylish lines with four inches of foam in the seat and a comfortable nineteen and a half inches of width. The look of aluminum arms with the comfort of a black arm cap exemplifies a luxurious look with a moderate price. Armrests can be upholstered to match the fabric of the chair. Also available as a shampoo unit.

FACET CHAIR
ST-N20

Add some style to the standard sofa styling chair with the Facet. Featuring a delicate-petal like design, the Facet shows that feminine shape doesn't mean sacrificing luxurious comfort.

EMERALD CHAIR
ST-N10

Mixing a modern style with the comfort of your living room armchair, the Emerald is a great choice for your salon. Designed through the use of ergonomic technology, the Emerald will wow your clients with its comfort and support.

ASISTA TRAY II
SR-AS21LD

The Asista Tray II attaches to a variety of Takara Belmont styling chairs and provides a complete swivel from left to right. Made from high-corrosion-resistant stainless steel, the add-on is excellent for working with hot tools and cosmetics.

RICHE CHAIR

AY-EL141ES9

Riche was developed by Takara Belmont using knowledge from not only the salon industry but also medical areas such as ophthalmology. A series of products made especially for eyelash extension services, Riche brings advances in safety, comfort, and usability.

RICHE STOOL

AY-ELS-ES9

Over 60% of cosmeticians fight back pain. That's why the ergonomically sound design of the Riche stool is so important. Not only does it provide lumbar support and long-lasting foam padding for long-term comfort, but it's height adjustable and stable, letting you set the perfect sightline and keeping it in place.

RICHE WAGON

SR-WA141

The Riche wagon boasts a smooth, 360 degree rotating top and adjustable height. Keep you focus on your guest instead of constantly shifting for your tools. Working in perfect tandem with the Riche chair, this high quality wagon is a trusted companion that ensures safe and simple procedures.

STACKS N WAGON SR-STSKN

The pursuit of a tidy space has never been so easy with the Stacks n Wagon. A chrome finish, two stainless steel foldable trays, detachable walking handle and four black double casters, brings style, versatility and mobility to the accessory arena.

D WAGON TYPE A2 TYPE A2W

The Type A2W D Wagon is constructed from a highly durable aluminum material. With a sleek style and a timeless appeal, the wagon features a brushed metal finish along with a matching lower basket to hold an assortment of tools. Smoky-grey plastic trays, smooth gliding casters, and a distinct wooden handle makes this impeccable accessory a true statement piece for your space.

ARGENTO STOOL CS-050

Argento Cutting Stool with aluminum finish only, air assisted height adjustment on silver 5-star base and dark casters.

YUME SH-YML

Turn your shampoo service area into a multi-functional space with the Yume Shampoo Unit and create new income possibilities for your salon. With the adjustable height of the shampoo unit, your technician can stand and shampoo or remain seated to perform extended spa sessions and hair treatments.

YUME ESPOIR SH-YMESMBT1

Your customer can relax in a lounge-like chair while their head is supported ergonomically and comfortably with the adjustable dual-axis gel head cushions that reduce pressure on the neck. The extra-wide shampoo basin also provides the flexibility for an array of different service options.

YUME IXI ST-YMIXL

Now customers can experience the first-class comfort of lying back in a chair that gently envelops the body. The Yume IXI also features a space-saving footprint that ensures an easy fit in salons of all sizes and a stylist-friendly design that facilitates the shampoo process. The result is a new concept in shampoo service that will delight customers and salons alike.

YUME STOOL

MS-YMS

Take shampoo services to the next level with an operator-conscious seating solution - the Yume Stool. Ergonomically designed to reduce strain placed on high-pressure areas, the stool is the key to a consistently comfortable experience; and it's also equipped with an air-assisted height adjustment, tilt-able seat, fixed base, and flexible stem system for optimal operator comfort.

SPA MIST II PROCESSOR

SD-160

Vibrant colors, lasting curls, and stronger wave length - the Spa Mist II enhances salon treatments by generating a fine mist of microscopic water particles. It gently opens up the hair's cuticle layer for deep conditioning of the hair, scalp and allows for an added hand spa treatment.

LEGEND

BB-LGS

The Legend Barber Chair sets new standards for barber chair technology with its robust body style, sophisticated design, superior comfort, and emphasis on operator efficiency.

LEGACY

BB-090

Turn heads with the clean lines and shiny chrome of a true classic – and look towards the future – with the Koken Legacy Chair. This well-crafted chair unites a traditional barbershop look-and-feel with the comforts of modern technology.
